THE OPEN CALL

Your idea for the Reading Rooms

The building belongs to the village, and it will need to pay its own way. Criteria for a pitch:

- **Good for the village** — something the community would feel the benefit of.
- **Able to pay its way** — helping with the building's upkeep and running costs.
- **Safe and insurable** — with people willing to keep it going.

Come and talk it through on the night — what the idea is, who would run it, who it would be for.
If you would like to say in advance that you are coming, info@castlebridgereadingrooms.com.
You are just as welcome to turn up and speak.
